Re: *Inline Connection Corp. v. Verizon Internet Services, Inc. et al.*
Case No. 1:05-cv-866(JJF)(D.Del.)

Dear Mike and Joël:

We received Inline's partial production of ownership-related documents (ICC/VZ 064787 – 065254) yesterday. We are now reviewing those materials. As a preliminary matter, however, could you please respond promptly to the following questions:

1. Please confirm whether or not these are the same documents that were produced in the *AOL* case back in February.
2. In order to understand the interlocking web of financial relations, please provide by return fax a list of the owners and their respective percentage interests in the following entities:

- A. Pie Squared LLC
- B. Broadband Technology Innovations, LLC
- C. Paperboy Ventures, LLC

To the extent any of the owners are corporations (including LLCs), please provide similar information for each such entity.

3. All of the documents have been marked "Highly Confidential." Please provide an explanation for this designation. We believe that it is imperative that we be able to discuss these documents with Verizon's in-house counsel who are

responsible for this litigation. Please confirm that we may do so subject to the terms of the draft Protective Order.

We look forward to receiving your prompt response to these questions. As we continue our analysis of the documents and identify missing materials and other questions, we will contact you on a rolling basis

Sincerely yours,

John B. Wyss
